

Google Ads Template Reports

We have a handful of helpful, ready-to-go report templates that will radically increase your productivity and save you time!

[Google Ads Ad A/B/N Test](#)

The Ad A/B/N Test report is your go-to ad tester report for ad optimization.

[Google Ads Ad Extensions](#)

The Ad Extensions report is a fast and easy way to check the number of ads and ad extensions in each ad group.

[Google Ads MCC Report](#)

The MCC report gives a thorough overview of all of your accounts.

[Google Ads URL Checker](#)

The URL Checker report is a time and money-saving way to check URLs for errors.
